

One Device. Three Solutions. Trio Maxx.

Solutions from GenEon Technologies' Trio Maxx allow users to generate the right solution for the job every-time. Portable Trio Maxx can be set up as a table-top unit in a central location; or taken on-site depending on the user's needs. The Trio Maxx generates solutions for cleaning, degreasing, and sanitizing/disinfecting without toxicity and without breaking the bank.

Why the Trio™ Maxx:

- ✓ Portable Table-Top
- ✓ Makes up to ½ gallon of solution at a time
- ✓ Truly sustainable solutions
- ✓ Reduces cost
- ✓ Increases safety for staff and guest
- ✓ Creates GenEon Sanitizing, Cleaning and Degreasing Solutions
- ✓ Solutions will quickly and effectively destroy harmful germs
- ✓ Low to NO VOC
- ✓ Eliminates need for storing large amounts of chemicals

“Where is it used?”

GenEon's Trio Maxx can support a wide variety of industries and is ideal for Janitorial, Environmental Service, Food Service, Medical/Healthcare, Hospitality/Lodging/Cruise Ships, Residential Cleaners, Schools, Daycares, and many more.

“What are users saying?”

“My GenEon has arrived and I have cleaned a house with it! A house cleaning that used to take me three hours was completed in two. And I got it cleaner than ever before! Plus I didn't have to wear gloves. Thank you so much for such an amazing product. Easy to use and the sanitizer leaves the home with a light swimming pool smell. I can't believe I waited this long to finally order the product as I will probably never use something else again.

Thanks Again!!!”

TL Michigan (Residential Cleaner)

TRIO™ Maxx

How it works

GenEon Technologies' line of Electro Chemical (ECA) On-Site Generators changes the landscape for the development of safe, sustainable, budget-friendly and highly effective cleaners, sanitizers & disinfectants. Solutions created by ECA technology and GenEon are recognized worldwide to be sustainable, more effective and safer than traditional chemicals and disinfectants.
