

Item # MIS01

Item # MIS03

## Two Devices, in one. That change the way you work. Mist / <sup>b</sup>Mist Sprayer

The **GenEon Mist / <sup>b</sup>Mist** is ideal for cleaning large open areas. Perfect for spraying and cleaning bathrooms, classrooms, walk-in freezers, hotel rooms, medical facilities, ambulances, and other hard-to-reach places. The compact design allows for ease of use. When the **Mist / <sup>b</sup>Mist** is combined with solutions from one of GenEon's On-Site Generators, it makes for the perfect system to help you create a cleaner, healthier, and safer environment.

The battery operated <sup>b</sup>Mist Sprayer adds portability and allows you to go places without the constraints of a cord and allows for cleaning, sanitizing and disinfecting large open areas.

### Mist / <sup>b</sup>Mist is ideal for:

- ✓ Sanitizing and disinfecting hard-to-reach places
- ✓ Mold and mildew remediation
- ✓ Odor elimination
- ✓ Adjustable flow rate for moisture control and blower speed
- ✓ Easy to use with its handheld and user friendly design
- ✓ Increasing productivity
- ✓ Use in tough environments with its durable and rugged design
- ✓ Large open areas including:
  - Bathrooms
  - Classrooms
  - Community Rooms

### Where is it used?

GenEon's Mist / <sup>b</sup>Mist can support a wide variety of industries including:

Schools, Universities, Daycares, Janitorial, Environmental Service, Veterinary, Food Service, Ambulances, Medical/Healthcare, Commercial Food Production, Dairy Production, Hospitality/Lodging, Buses, Trains, Cruise Ships, and many more.

GenEon™ helps you improve your productivity while improving the health of your environment.

# Mist/<sup>b</sup>Mist

Helping you create a safer healthier environment

## Specifications

<b>Item Number</b>	MIS01
<b>Particle Size</b>	20-50 um
<b>Tank Capacity</b>	.8 gal/3L
<b>Dimensions</b>	6.2 in x 22 in x 9.8 in 160 mm x 550 mm x 250 mm
<b>Weight</b>	6.8 lbs./3.1 kg
<b>Power</b>	110V/220V
<b>Cord Length</b>	19.6 ft./6 m

<b>Item Number</b>	MIS03
<b>Particle Size</b>	20-100 um
<b>Tank Capacity</b>	1.3 gal/5L
<b>Dimensions</b>	7.7 in x 21.5 in x 10.6 in 195 mm x 540 mm x 270 mm
<b>Weight</b>	6.8 lbs./3.1 kg
<b>Power</b>	Battery
<b>Battery and Capacity</b>	Lithium ion/DC 14.8V 20A
<b>Run Time</b>	1 hour continuous run-time. Dispenses approx. 15 gal/60L of solution on a full charge.

## How it works

The Mist and <sup>b</sup>Mist works with solutions generated from GenEon's On-Site Generators including:

### Trio Rx

Item # TRX01

### Immerse-A-Clean

Item # IMC01

Item # IMC02

### InstaFlow

Item # INT01

## What users are saying...

*"I am writing this letter to share some interesting findings, I am the Manager of Environmental Services at the Westminster Schools in Atlanta. For the past few years during football and wrestling season we had some issues with odors in the locker room and a few cases of staph infections. I am pleased to announce that this year we were able to remove the odors and did not have any cases of staph. This was made possible by the purchasing of the GenEon Trio Rx and the fogging machine (Mist)...I would strongly recommend this product to anyone who may have the same challenges that I was having, it works."*

Larry Smith, Manager of Env. Srv., The Westminster School
